

All ministry personnel (active, retired, retained) are invited to share time and conversation with the Moderator during her visit to Manitou Conference in November.

Special time for ministry personnel has been set aside in the format of “ministry personnel retreat”, beginning the **evening of Monday, November 6th and continuing through to late afternoon on Tuesday, November 7th.**

This is your opportunity to be in dialogue about the future of denominational ministry; to hear about the church across the country; to be inspired by Jordan’s leadership; to network and worship with colleagues. We are fortunate that Faye Moffat has agreed to come and provide music leadership.

Participants are invited to bring along musical instruments to share in the music making, anything from a kazoo, to drum, to guitar, to strings, brass and wind!

MINISTRY RETREAT WITH THE MODERATOR

*November 6-7, 2017
At Villa Loyola, Sudbury*

You may also want to consider extending the experience to include the **Manitou Intentional Learning Community** events planned for Tuesday evening and Wednesday. These will include the premier screening of the **Memory Project** documentary on Tuesday evening at St. Peter's, in Sudbury. On Wednesday, there will be the MILC Annual Meeting and Learning event with the Moderator.

Pastoral Charges are being asked to embrace this gathering as part of the work of ministry so that people need not use continuing education time in order to attend.

In order to manage costs, we are asking that folks that live in the Sudbury area and are able to commute from home, plan to do so.

Monday, November 6

7:00 Arrival and Registration at Villa Loyola
