

Sudbury Presbytery "St. Paul's" Mission Development Grant, 2015

This grant was established by Sudbury Presbytery from monies received through the generosity of the community of St. Paul's United Church, through the sale of property. The purpose of this grant is to support and sustain mission and outreach ministries in pastoral charges of the United Church of Canada within Sudbury Presbytery.

The focus St. Paul's United Church chose for their participation in this project is to support the missions of our local churches and to assist our local congregations to become more missional in their focus. One of the hallmarks of missional churches is that they have a strong outreach ministry to their local community. To assist in this goal, the St Paul's disbursement plan calls for a one time grant of \$6500 to each pastoral charge in Sudbury Presbytery, to assist in establishing local outreach ministries or to enhance current outreach ministries.

At the conclusion of the project, any unused monies will revert to Sudbury Presbytery's "I Have A Dream" Fund.

Pastoral Charges may apply for up to \$6500 during the calendar availability of the Mission Development Grant. This may include one or more separate applications, depending on the scope and context of the local mission. If more than one project or ministry from a pastoral charge is seeking support, please use the same application form with separate accompanying documents to describe distinct projects.
