Public Performance Video Licensing 2017

for
Pastoral Charges in
Manitou
Conference

Why do we need a Public Performance Licence?

You need a public performance license:

- If you show movies or clips from movies/tv programs for public viewing (unless you are showing 'live-feed' Youtube material)
- Public viewing includes your church school, youth groups, study groups, worship, or family evenings
- It doesn't matter whether you own or rent the movie/clip

The Canadian Copyright Act applies in all cases, even if films are personally owned, brought in from outside sources, obtained from rental outlets, or purchased in retail stores. It applies if films are shown freely, partially, or to small groups, for educational or fundraising purposes. Additional information concerning copyrights can be obtained from the Copyright Board of Canada at www.cb-cda.gc.ca.

Without a public performance licence, you are breaking current copyright laws!

The Cost to your Pastoral Charge

The combined cost for both companies to cover congregations in Manitou Conference will be **\$1.22 per person plus HST (\$1.38 total)** based on the average Sunday attendance as reported on the 2015 Statistical Return Forms (there has been an increase to the fee for 2017). The licence will be in effect from April 1, 2017 – March 31, 2018. Manitou Conference handles the administration to keep the costs low.

Example:

Average Sunday worship attendance
(as reported in the 2011 Year Book):

$$95 \times 1.12 = \$ 106.40$$

$$\times 13\% \text{ HST} = \underline{\$ 13.83}$$

$$\text{Total Cost} = \$ 120.23$$
